

## Norah Boyce Science Lectures – Spring term 2025

---

These weekly lectures will take place on Tuesdays at 4.30 pm online via Zoom. Please note that work has been done to improve the acoustics at the venue since our last event.

The lectures are open to members only. When held by Zoom, the link for each lecture is on the Norah Boyce Lectures page of the website (you will need to log in to access this) and will be included in the weekly Bulletin during the week prior to the lecture and also emailed to Bulletin recipients on the morning of the Lecture.

Any last-minute changes to the programme will be publicised in the weekly Bulletin.
